

CCS Galaxy Flake Flooring System

Colour and durability for
designer interior environments

Available in a broad range of colours, a CCS Galaxy Flake Flooring System is an extremely hard wearing flooring solution suitable for a wide range of interior environments.

Comprised of coloured acrylic decorative flake chips with a hard resin overlay, a CCS Galaxy Flake Floor ensures an extremely tough finish for areas prone to harsh treatment, while providing ongoing protection against common stains created by a wide variety of spills.

From workshops and garages through to play areas, a CCS Galaxy Flake Floor is great to look at and easy to clean and maintain.

Enjoy the benefits

- A highly attractive and durable surface
- Resistant to dirt, oil, grease and water
- Clean and hygienic
- Customisable colour options
- Suitable for uneven flooring surfaces
- Cost effective solution for larger areas

Ideal for

- Garage floors
- Patios and rumpus rooms
- Laundries, kitchens and bathrooms
- Entrance areas
- Under house areas
- Workshops and laboratories
